THECOMMUNITYCHURCH
INTHECOMMUNITYFORTHECOMMUNITY

Thanks for coming! We are delighted to see you and we hope that you enjoy being with us and experiencing a part of The Community Church. You will only see a small part of the church today, it's a bit like the tip of an iceberg.

'in the community
 for the community,
 to the nations'

There is something for everyone, crèche, kids work, worship, friendship and Bible teaching.

Our name reflects our desire to be a community of God's people and to have a positive influence in serving the communities around us. Please don't hesitate to let us know if we can help with anything.

FRONT EDGE CONFERENCE SAT 8th—9th NOVEMBER

This is a conference for up and coming evangelists or anyone who has a heart for the gospel and to see people saved. The weekend includes a day of inspiring teaching and prayer for all delegates on the Saturday, then on the Sunday gifted evangelists will be placed in local churches to pray for the sick and preach the gospel. We will be having a guest speaker on the 9th of November so please invite friends and family. The feedback from previous conferences has been very good and churches have seen many people saved and healed. For further information please speak to Simon.
